YORKSHIRE MINIATURISTS | 11.30AM

Join Ann Holmes, Chairperson of the Yorkshire Miniaturists Association, as she tells you about the highs and lows of running a dolls house club. How one of the longest established clubs in the country began, what they get up to each month and her own personal journey into the wonderful world of miniatures.

Come and be inspired by a display of past club challenges and monthly projects.

NEWBY HALL - STUART GILL | 12.30PM

For over 40 years, friends Caroline Hamilton and Jane Fiddick shared a remarkable passion for dolls' houses, building an extraordinary collection of miniature treasures. In 2015, their collection found a permanent home at Newby Hall, near Ripon. More than a decade later, the collection is now complete and stands as one of the largest dolls' house exhibitions in the UK. Discover the fascinating story behind the collection, the friendship that inspired it and the intricate miniature worlds within.

BEA BROADWOOD | 1.30PM

INTRODUCTION TO MINIATURE LANDSCAPING

Join Bea Broadwood of Petite Properties for a friendly introduction to miniature landscaping. Discover how to bring buildings and scenes to life using simple techniques, affordable materials and creative thinking. Bea will share practical advice for getting started, along with budget-friendly, "Blue Peter-style" tips for turning everyday items into realistic miniatures.

JANE HARROP | 2.30PM

MINIATURE ROOFING

Explore with Jane how to roof your miniature dwellings. As always there will be plenty of advice on DIY options and what works best in each of the different scales.
